Where There's Smoke **Stovetop Smokers**

Do you have cabin fever? Are you longing to get outside and grill? Well, we have a year-round alternative to outdoor grilling – the Stovetop Smoker! Smoking adds another dimension of flavor to food. You don't need to wait for good weather to get that wonderful, rich smoky flavor!

This is not a one hit wonder. The sturdy stainless steel construction is suited for many other uses. Use your Stovetop Smoker to roast, steam or even poach!

\$39.95

Chip off the Ol' Block **Smoking Wood Chips**

Don't forget the fuel for your **Stovetop Smoker**. We have four varieties of wood that will add just the right flavor to your next smoking adventure. Each wood conveys its own unique flavor. **\$7.95**

Wild Apple
Sugar Maple
DownEast Hickory
Mountain Mesquite

For great flavor and unforgettable presentation, try cooking meat, chicken, fish and veggies on planks. These are natural oval planks: cut across the grain to release more flavor. **White Cedar Natural Oval Oven/Grilling Planks** package of 4 is **\$7.95**.
